FEI RULES

An FEI Prize List will be released under separate cover once all draft schedules have been approved by FEI.

• IMPORTANT INFORMATION •

- Exhibitors are responsible for having their respective Federations declare their horses for the FEI competition BEFORE the close of entries as listed in the FEI Draft Schedules for each week. For 2026, the athletes respective Federation weekly declaration IS THE AUTOMATIC NOMINATION INTO THE JOG CLASS. The athlete must manually withdraw (with Federation or in the Horse Show Office) any horse they do not plan to show (incorrectly nominated by their Federation) by 4:00 PM, Sunday the week prior to the competition to avoid paying the \$750 “no-show” fee as stated in the approved FEI schedule.
 - We ask that you ONLY declare the number of horses that are allowed in FEI each week; i.e., please don't have your Federation declare 6 horses if only 3 are allowed that week. You will be charged \$675 for no shows/late withdrawals after the jog order is posted, for every horse nominated in the Jog Class. This includes the additional horses still in the FEI system exceeding the number that can participate. Proper entries and withdrawals in the Jog Class before the posted order is the sole responsibility of the athlete. There will be NO EXCEPTIONS to this rule.
 - The horse show office will determine the entries for each and every FEI week in the jog class based solely off of the Definite Entries submitted on the FEI Entry System for that week. We will allow substitutions made by Federations up until one hour prior to the jog/horse inspection. After that time there will be NO SUBSTITUTIONS.
 - Declarations for individual Classes must be done in the Show Office each week on an Official Add/Drop Sheet. All Declarations must be made by 4:00 PM the day before the class is held, unless otherwise specified.
 - Declarations after that time MAY be accepted by Management only, and IF accepted will result in that horse going first in the competition in question.
 - Responsible party MUST notify the stable office each week BEFORE the jog/stabling time to secure your stall location.
 - Horses must be checked in to FEI secure stabling area between 10:00–11:00 AM for Veterinary/Passport pre-check before the horse inspection begins each week. (Unless approved FEI schedule says otherwise)
- ** NOTE: there is a webcam and clock posted at the security gate for management and jury to ensure compliance.****
- FEI Horse Inspection will take place at 12:00 PM of each week in the FEI area, unless otherwise specified. (Please note the U25 and CSIO horse inspections are defined in the definite schedules for these weeks and vary.)
 - Both HORSE and RIDER MUST be CURRENT FEI members in order to jog present at the Horse Inspection.
 - Any changes to jog horse inspection will be posted in the FEI area, Horse Show Offices and Exhibitor Services.
- Other FEI Important Information:
- Photo ID FEI Credentials are REQUIRED for entrance to FEI Compound at all times.
 - FEI Photos are taken in Exhibitor Services
 - Credentials are signed out from the FEI Office in the FEI Compound
 - Five passes will be issued per horse
 - Rider
 - Trainer
 - Groom
 - 2 Owner (Must be the owner of record in the Passport)
- “Note we DO NOT issue FEI credentials for spouse/friend/media”**

STANDARD EQUINE HEALTH INFORMATION

EQUESTRIAN SPORT PRODUCTIONS HAS HAD VACCINATION PROTOCOL IN PLACE SINCE 2013. WE WILL NOW ADHERE TO GR845 IN WHICH:

Equestrian Sport Productions has had vaccination protocol in place since 2013. We will now adhere to GR845 in which:

1. At Federation licensed competitions horses, more than 7 months of age, entering the grounds must be accompanied by documentation of Equine Influenza Virus and Equine Herpes Virus (Rhinopneumonitis) vaccinations within six months (180 days) prior to entering the stables. Horses not in compliance with this rule may be required to leave the competition grounds upon request by Competition Management. Documentation should consist of one of the following methods mentioned below. The frequency of vaccine administration should be per the vaccine manufacturers' or veterinarian's recommendations. It is recommended that vaccines are administered by or under the direction of a veterinarian.

2. In the case of vaccines administered by a veterinarian, the exhibitor, upon request by Competition Management, must provide documentation from the veterinarian on documenting that the horse in question received the vaccinations; name of the vaccines and date of vaccine administration.

3. In the case of vaccines administered by a person other than a veterinarian, the exhibitor, upon request by Competition Management, must provide a receipt of the vaccine purchase which is signed by the owner, or agent with care, custody, and control of the horse; name, serial number and expiration date of the vaccine; and date of vaccine administration.

4. In the case of a horse that is unable to receive either of the vaccinations due to a history of adverse reactions, the exhibitor, upon request by Competition Management, must provide a letter from the veterinarian on official letterhead stating that the horse in question cannot be vaccinated due to medical concerns and a log of temperatures taken twice daily for the seven days prior to entering the competition grounds.

These horses must also have their temperature taken and logged twice daily while on the competition grounds. The log of temperatures should be provided to the Competition Management, steward, or technical delegate when requested.

5. A current negative coggins test. Please renew before it expires, and not just before it is necessary to leave the state. It is strongly recommended that all horses be vaccinated for Equine EHV-1 (either modified live or killed vaccine) no sooner than 7 days prior and no later than 180 days prior to entering the show grounds. Most EHV-1 vaccines are only considered effective for 180 days. Check with your veterinarian about which vaccine you use.

6. Once the horse leaves the facility you may be required to show a new Statement of Health upon your return to the facility. Current vaccination against WNV, EEE, WEE, Tetanus and Rabies is strongly recommended

7. You should be able to document your horse's normal temperature before arrival. Please do not ship horses with elevated temperatures. It is recommended that you establish a log of temperatures taken at least twice daily. If there is an elevated temperature for more than a 24 hour period, please consult your local Veterinarian immediately.

8. Every effort should be made to minimize stress and commingling of horses shipped long distances. Extra hours on a horse van, or moving from stable to stable is the fastest way to compromise your horses' and your neighbors horses' health.

9. Any horse on the show grounds with a fever of unknown origin or of suspicious origin must be reported to ESP Management. It is always better to err on the side safety. Isolation stalls will either be available on the grounds or at a local veterinary practice if the need arises.

10. Please take the time to review equine good hygiene practices and impress its importance to your groom in everyday care.

Riders cannot cross enter into any class where fences exceed 3'3" (exception: Riders may show in Pony Jumpers).

HORSE/PONY:

Ponies exhibited in Children's Hunter Pony may cross enter into any class where otherwise eligible.

HORSE / RIDER COMBINATION:

The rider may not show the same pony in the Regular Pony or the Green Pony Divisions. Note: The pony may only be shown by one rider in the Children's Hunter Pony Classic and that rider must be declared prior to the first round of the Classic.

- Large Ponies: 2'6" with spreads not to exceed height of fence.

The Children's Hunter Pony section may be combined with Low Children's Hunter Pony when there are fewer than three (3) entries in either section, or the Children's Hunter Pony may be combined with the Children's Hunter Horse section when there are fewer than three (3) entries in either section. The Children's Hunter (horse & pony) section may be combined with the Adult Amateur section when there are fewer than three (3) entries in either section. When sections are combined and there are more than 24 total entries, the sections must be divided utilizing a Floating split, or a California split to create an even division of entries.

\$75,000 BATTLE OF THE SEXES EXHIBITION**SPONSORED BY: LEMIEUX****SATURDAY EVENING, JANUARY 3, 2026**

The Battle of Sexes is an exhibition competition between a team of 8 female riders and a team of 8 male riders competing at the WEF Circuit invited by management in its sole discretion. Riders may ride a horse of their choice in each phase or the same horse in one or more phases. This is a three-phase competition made up as follows:

PHASE I TABLE C FEI ART 239

Faults under Table C are penalized with 2 seconds added per knockdown, which are added to the time taken by the competitor to complete his round or by elimination.

All 8 riders from each team take part. The scoring is based on head to head competition between male and female riders with the winner of each head to head receiving 1 point for their team therefore the maximum points available for a team is 8.

PHASE II GCC RELAY FORMAT

Each team will have two teams of three riders. The course will be made up of three consecutive courses, 6 obstacles per course at 1.20m. It will be judged as one course of 18 obstacles under Table III faults converted with 2 seconds added for each knock down. Rider #1 goes through the start and completes fences 1-6. Rider #2 starts when rider ones horse lands after fence #6, Jumping fences 7-12. Rider #3 starts when rider ones horse lands after fence #12 Jumping fences 13-18 and crosses the final finish line. The team with the fastest time over the 18 fences will be the winner of the heat. 5 points are awarded for each team heat winner therefore the maximum points available for a team is 10.

GCC RELAY FORMAT SCORING CLARIFICATIONS:

2 Seconds added for each rail.

4 seconds added total — for a refusal with knockdown.

5 seconds will be added in the event the next team member in sequence leaves the ground jumping fence #7 or #13 before the previous team members horses front two feet land from fence #6 or #12 respectively. The ground Judges at Fence #7 and fence #13 will signal a 5 second penalty by raising a red flag.

Fifteen seconds will be added for any fall of a horse or rider. The clock will stop. A tone will be sounded when it is safe for the next team member to take over in the course where the previous team member fell.

Each team rider is permitted only two refusals. If rider #1 or rider #2 are eliminated for two refusals or a fall of horse or rider the next team member in sequence is responsible for taking over in the course where the previous team member left off. If rider #3 is eliminated, rider #1 is responsible for taking over in the course where the previous team member left off.

The decision of the ground jury is final.

PHASE III MATCH RACE FEI ART 272

This competition involves a head-to-head match race between an individual male vs. female rider. The match race will occur over identical courses under FEI Table C Art. 239 with 3 seconds added per knockdown. All 8 riders from each team take part. Each winner gets three points for their team. Therefore, the maximum points available for a team is 24.

DRAW: Each team will choose its own Captain. The Captains list their 8 riders for Phase I. The Winning Team from the previous year will go first in phase I. A flip of a coin will take place for which team goes first in phase I. Phase II The captains will decide their order list from 1 to 8. The leading team will go first. After that, the teams rotate i.e. if the Female team is drawn first then rider A from females goes first, followed by rider A from the males, next to go will be rider B from the males, followed by rider B from the females and so on. The Captains decide the line up for the Match Race. The leading team will have the first choice of the side in which they wish to start. After the first round, the teams will alternate sides.

In the event of a tie of the overall event the captains flip a coin to see who starts and they pick one rider each to continue head-to-head in one final heat. The riders will wear team jerseys provided by management.

PRIZE FUND:

\$50,000 Winning team. \$25,000 Reserve team

ENTRY FEE: \$800**SOUNDNESS**

INTERNATIONAL HUNTER DERBY SPECIFICATIONS**TRADITIONAL FORMAT**

Consists of two phases, one Classic Hunter Round and one Handy Hunter Round jumped separately. All participants will complete the Classic Round. Only the top 12, including ties, from the Classic will compete in the Handy Round.

1. The Classic Hunter Style Round shall be judged and numerically scored on quality, movement, jumping style, manners and way of going. Pace and brilliance are to be rewarded. In addition to this base score, each judging panel must award an Option Bonus Score consisting of one additional point for every higher height option fence jumped. These two scores must be announced separately and then added together to determine each horse-and-rider combination's score for this round from each judging panel. The scores of all the judging

panels will be added together to determine the total score of each horse-and-rider combination for this round.

2. The Handy Hunter Round shall be judged on jumping style and efficiency while maintaining style and form, way of going, and overall flow. Pace, brilliance, and handiness are to be rewarded. A horse/rider may not jump decorations or other obstacles in order to create a shorter track. In addition to this base score each judging panel must award an Option Bonus Score consisting of one additional bonus point for every higher height option fence jumped and a Handy Bonus Score on a scale of 0-5 to award handiness in the round. These three scores must be announced separately and then added together to determine each horse-and-rider combination's score for this round from each judging panel. The scores of all the judging panels will be added together to determine the total score of each horse-and-rider combination for this round.
3. The Jump-Off Round, if required, shall be judged and numerically scored on quality, movement, jumping style, manners and way of going. Pace and brilliance are to be rewarded. A horse/rider may not jump decorations or other obstacles in order to create a shorter track. In addition to this base score, each judging panel must award an Option Bonus Score consisting of one additional point for every higher height option fence jumped. These scores must be announced separately and then added together to determine each horse-and-rider combination's score for this round from each judging panel. The scores of all the judging panels will be added together to determine the total score of each horse-and-rider combination for this round.
4. The total scores of each horse-and-rider combination from each round will be added together to determine their final overall Hunter Derby score. This score will determine the final overall standings for the class. If any of the top 12 entries from the Classic Round elect not to return, then they will receive a score of 0 for the Handy Round.
5. The Option Bonus Score of one additional point for each higher height option fence jumped must be awarded even if there is a refusal, rail down or loss of good jumping style at that higher height option fence, providing that the horse-and-rider combination does jump the higher height option fence.

"General Regulations", 22nd Edition, effective 1 June 2007 will apply:

Art. 139.1

Every horse entered for any competition at CNs or CIMs (see Appendix D) in a foreign country (see GRs 141.2), and all horses entered for other CIs, CIOs, Championships, Regional and Olympic Games, whether at home or in foreign countries (see GRs 141.2), must have an official, valid FEI Passport, or a National Passport approved by the FEI and accompanied by an FEI Recognition Card and, when applicable, an FEI registration number, as a means of identification and to establish ownership.

Art. 139.2

Horses taking part in CNs and CIMs (see Appendix D) in their country of residence are not required to have such a passport as is mentioned in paragraph 1. All such horses must be properly registered and identifiable and, unless there is no national requirement for equine influenza vaccination in the host country and in the country of origin all horses must have a valid vaccination certificate.

EQUINE INFLUENZA VACCINATION

Vet. Regs. Annex VII (except events taking place in NZL & AUS)

All horses and ponies for which an FEI Passport, or a National Passport approved by the FEI has been issued, must have the vaccination section endorsed by a veterinarian, stating that it has received two injections for primary vaccination against equine influenza, given between 1 and 3 months apart. In addition, a booster injection must be recorded as having been given within each succeeding 6 months, subsequent to the second injection of the primary vaccination. None of these injections must have been given within the preceding 7 days including the day of the competition or of entry into the competition stables.

The above are the minimum requirements for influenza vaccination. Both primary and first and subsequent booster injections should be given according to the manufacturer's instructions which will fall within the stipulation of the FEI ruling.

SAMPLING FOR PROHIBITED SUBSTANCES

(Vet. Regs. Chapter V & VI and Annex IV)

Regular sampling is carried out in CCI3*/4*, CSIs (3*, 4*, 5*), CIOs, World Cup Qualifiers and Finals, Championships and Games, whereas at other CIs sampling is recommended. When testing takes place, the number of horses tested is at the discretion of the Testing Veterinarian/Veterinary Delegate; however, a minimum of three is recommended (Vet. Regs. Art. 1016).

HEALTH REQUIREMENTS FOR THE ENTRY OF HORSES/PONIES

A. FL regulations require that all equines be covered by official interstate health certificates, issued by a licensed veterinarian, showing that the animals are free from any symptoms of any infectious or communicable disease. The certificate shall include the name of the owner and address, destination in FL, number of horses examined, the name, registration number(s), if any, tattoo, if any, sex, age, rectal temperature, color, and markings of each animal listed. Health certificates will become void after 30 days from issue. Health certificates must show animals to be negative to an equine infectious anemia test within the past 12 months. Date of test and approved laboratory must be shown on health certificate. Equine Rhinopneumonitis vaccination is not required; however, if any animal is vaccinated, it is ineligible for entry within 21 days of vaccination. Vehicles transporting animals must have certificates showing that it was cleaned and disinfected under veterinary supervision prior to loading. This information can be written on the health certificate.
