## FEI RULES

An FEI Prize List will be released under separate cover once all draft schedules have been approved by FEI.

### • IMPORTANT INFORMATION •

- Exhibitors are responsible for having their respective federations declare their horses for the FEI competition **before** the close of entries as listed in the FEI draft schedules for each week. For 2026, the athletes respective federation weekly declaration is the automatic nomination into the jog class. The athlete must manually withdraw (with federation or in the Horse Show Office) any horse they do not plan to show (incorrectly nominated by their federation) by 4:00 PM, Sunday the week prior to the competition to avoid paying the \$750 "no-show" fee as stated in the approved FEI schedule.
- We ask that you only declare the number of horses that are allowed in FEI each week; i.e., please don't have your federation declare 6 horses if only 3 are allowed that week. You will be charged \$675 for no shows/late withdrawals after the jog order is posted, for every horse nominated in the jog class. This includes the additional horses still in the FEI system exceeding the number that can participate. Proper entries and withdrawals in the jog class before the posted order is the sole responsibility of the athlete. **There will be NO EXCEPTIONS to this rule.**
- The Horse Show Office will determine the entries for each and every FEI week in the jog class based solely off of the definite entries submitted on the FEI entry system for that week. We will allow substitutions made by federations up until one hour prior to the jog/horse inspection. After that time there will be **NO SUBSTITUTIONS.**
- Declarations for individual classes must be done in the Show Office each week on an official add/drop sheet. All declarations must be made by 4:00 PM the day before the class is held, unless otherwise specified.
- Declarations after that time may be accepted by Management only, and if accepted will result in that horse going first in the competition in question.
- Responsible party must notify the stable office each week before the jog/stabling time to secure your stall location.

- Horses must be checked in to FEI secure stabling area between 10:00-11:00 AM for veterinary/passport pre-check before the horse inspection begins each week. (Unless approved FEI schedule says otherwise)

**\*\* NOTE: There is a webcam and clock posted at the security gate for management and jury to ensure compliance.\*\***

- FEI horse inspection will take place at 12:00 PM of each week in the FEI area, unless otherwise specified. (Please note the U25 and CSIO horse inspections are defined in the definite schedules for these weeks and vary.)
- Both horse and rider must be current FEI members in order to jog present at the horse inspection.
- Any changes to jog horse inspection will be posted in the FEI area, Horse Show Offices and Exhibitor Services.

#### Other FEI Important Information:

- Photo ID FEI credentials are **REQUIRED** for entrance to FEI stabling at all times.
- FEI Photos are taken in Exhibitor Services.
- Credentials are signed out from the FEI Office in the FEI stabling.
- Five passes will be issued per horse:
  - Rider
  - Trainer
  - Groom
  - 2 Owner (must be the owner of record in the passport)

**\*\* NOTE: We DO NOT issue FEI credentials for spouses, friends or media.\*\***

## Junior Sportsmanship Trophy

The 2026 Junior Sportsmanship Trophy will be awarded at the end of the Winter Circuit to the junior rider that consistently demonstrates outstanding conduct, horsemanship, attitude, and courtesy appropriate for a competitor at the highest levels of our sport.

The Trophy honors Candida "Carly" Anthony's mother and grandmother, Candida "Cara" Anthony and Candida "Candy" Forstmann, who both felt it is important to encourage and publicly recognize good sportsmanship in the young riders that may one day be selected to represent our country. Over the past 26 years, many of the Trophy's recipients have gone on to train and compete around the world and have become positive role models for an entire generation of aspiring young riders.

Each week a variety of observers, including the Trophy's sponsor, event staff, show management, officials, trainers and other competitors, will provide observations, insight and input into the selection process. In the end, the rider that makes the most positive overall impression will be invited to the Trophy presentation. We will be looking for you...

 WELLINGTON, FLORIDA

*Celebrating the Best of South Florida  
Living and the Equestrian Lifestyle*

Nestled in the heart of Palm Beach County and the world's premier equestrian destination, there is a place to call home in the center of everything, yet a world away – a place defined by design, architecture, landscaping, wellness and service.

Welcome to The Wellington, where you and your family will thrive.

Currently under construction, a new private residential club community, master planned by Workshop/APD with landscape by renowned

LaGuardia Design Group, will include only 253 residences. Designed by a world-class team of architects, including Workshop/APD, Morris Adjmi Architects, D. Stanley Dixon and Squire & Partners, each home will bring distinct character.

Across the community are amenities for all ages and pursuits, from a championship golf course and practice facilities designed by David McLay Kidd, racquet courts, resort-style pools, a wellness and fitness center, a children's club and programs, an equestrian facility, and dedicated concierge services.

## STANDARD EQUINE HEALTH INFORMATION

EQUESTRIAN SPORT PRODUCTIONS HAS HAD VACCINATION PROTOCOL IN PLACE SINCE 2013. WE WILL NOW ADHERE TO GR845 IN WHICH:

Equestrian Sport Productions has had vaccination protocol in place since 2013. We will now adhere to GR845 in which:

1. At Federation licensed competitions horses, more than 7 months of age, entering the grounds must be accompanied by documentation of Equine Influenza Virus and Equine Herpes Virus (Rhinopneumonitis) vaccinations within six months (180 days) prior to entering the stables. Horses not in compliance with this rule may be required to leave the competition grounds upon request by Competition Management. Documentation should consist of one of the following methods mentioned below. The frequency of vaccine administration should be per the vaccine manufacturers' or veterinarian's recommendations. It is recommended that vaccines are administered by or under the direction of a veterinarian.
2. In the case of vaccines administered by a veterinarian, the exhibitor, upon request by Competition Management, must provide documentation from the veterinarian on documenting that the horse in question received the vaccinations; name of the vaccines and date of vaccine administration.
3. In the case of vaccines administered by a person other than a veterinarian, the exhibitor, upon request by Competition Management, must provide a receipt of the vaccine purchase which is signed by the owner, or agent with care, custody, and control of the horse; name, serial number and expiration date of the vaccine; and date of vaccine administration.
4. In the case of a horse that is unable to receive either of the vaccinations due to a history of adverse reactions, the exhibitor, upon request by Competition Management, must provide a letter from the veterinarian on official letterhead stating that the horse in question cannot be vaccinated due to medical concerns and a log of temperatures taken twice daily for the seven days prior to entering the competition grounds. These horses must also have their temperature taken and logged twice daily while on the competition grounds. The log of temperatures should be provided to the Competition Management, steward, or technical delegate when requested.

5. A current negative coggins test. Please renew before it expires, and not just before it is necessary to leave the state. It is strongly recommended that all horses be vaccinated for Equine EHV-1 (either modified live or killed vaccine) no sooner than 7 days prior and no later than 180 days prior to entering the show grounds. Most EHV-1 vaccines are only considered effective for 180 days. Check with your veterinarian about which vaccine you use.
6. Once the horse leaves the facility you may be required to show a new Statement of Health upon your return to the facility. Current vaccination against WNV, EEE, WEE, Tetanus and Rabies is strongly recommended
7. You should be able to document your horse's normal temperature before arrival. Please do not ship horses with elevated temperatures. It is recommended that you establish a log of temperatures taken at least twice daily. If there is an elevated temperature for more than a 24 hour period, please consult your local Veterinarian immediately.
8. Every effort should be made to minimize stress and commingling of horses shipped long distances. Extra hours on a horse van, or moving from stable to stable is the fastest way to compromise your horses' and your neighbors horses' health.
9. Any horse on the show grounds with a fever of unknown origin or of suspicious origin must be reported to ESP Management. It is always better to err on the side safety. Isolation stalls will either be available on the grounds or at a local veterinary practice if the need arises.
10. Please take the time to review equine good hygiene practices and impress its importance to your groom in everyday care.

## 120

## \$75,000 BATTLE OF THE SEXES EXHIBITION

PRESENTED BY LEMIEUX  
SATURDAY EVENING, JANUARY 3, 2026

The Battle of Sexes is an exhibition competition between a team of 8 female riders and a team of 8 male riders competing at the WEF Circuit invited by management in its sole discretion. Riders may ride a horse of their choice in each phase or the same horse in one or more phases. This is a three-phase competition made up as follows:

#### PHASE I TABLE C FEI ART 239

Faults under Table C are penalized with 2 seconds added per knockdown, which are added to the time taken by the competitor to complete his round or by elimination.

All 8 riders from each team take part. The scoring is based on head to head competition between male and female riders with the winner of each head to head receiving 1 point for their team therefore the maximum points available for a team is 8.

#### PHASE II GCC RELAY FORMAT

Each team will have two teams of three riders. The course will be made up of three consecutive courses, 6 obstacles per course at 1.20m. It will be judged as one course of 18 obstacles under Table III faults converted with 2 seconds added for each knock down. Rider #1 goes through the start and completes fences 1-6. Rider #2 starts when rider ones horse lands after fence #6, Jumping fences 7-12. Rider #3 starts when rider ones horse lands after fence #12 Jumping fences 13-18 and crosses the final finish line. The team with the fastest time over the 18 fences will be the winner of the heat. 5 points are awarded for each team heat winner therefore the maximum points available for a team is 10.

#### GCC RELAY FORMAT SCORING CLARIFICATIONS:

2 Seconds added for each rail.

4 seconds added total — for a refusal with knockdown.

5 seconds will be added in the event the next team member in sequence leaves the ground jumping fence #7 or #13 before the previous team members horses front two feet land from fence #6 or #12 respectively. The ground Judges at Fence #7 and fence #13 will signal a 5 second penalty by raising a red flag.

Fifteen seconds will be added for any fall of a horse or rider. The clock will stop. A tone will be sounded when it is safe for the next team member to take over in the course where the previous team member fell.

Each team rider is permitted only two refusals. If rider #1 or rider #2 are eliminated for two refusals or a fall of horse or rider the next team member in sequence is responsible for taking over in the course where the previous team member left off. If rider #3 is eliminated, rider #1 is responsible for taking over in the course where the previous team member left off.

The decision of the ground jury is final.

#### PHASE III MATCH RACE FEI ART 272

This competition involves a head-to-head match race between an individual male vs. female rider. The match race will occur over identical courses under FEI Table C Art. 239 with 3 seconds added per knockdown. All 8 riders from each team take part. Each winner gets three points for their team. Therefore, the maximum points available for a team is 24.

**DRAW:** Each team will choose its own Captain. The Captains list their 8 riders for Phase I. The Winning Team from the previous year will go first in phase I. A flip of a coin will take place for which team goes first in phase I. Phase II The captains will decide their order list from 1 to 8. The leading team will go first. After that, the teams rotate i.e. if the Female team is drawn first then rider A from females goes first, followed by rider A from the males, next to go will be rider B from the males, followed by rider B from the females and so on. The Captains decide the line up for the Match Race. The leading team will have the first choice of the side in which they wish to start. After the first round, the teams will alternate sides.

In the event of a tie of the overall event the captains flip a coin to see who starts and they pick one rider each to continue head-to-head in one final heat. The riders will wear team jerseys provided by management.

#### PRIZE FUND:

\$50,000 Winning team. \$25,000 Reserve team

- 1.** The Classic Hunter Style Round shall be judged and numerically scored on quality, movement, jumping style, manners and way of going. Pace and brilliance are to be rewarded. In addition to this base score, each judging panel must award an Option Bonus Score consisting of one additional point for every higher height option fence jumped. These two scores must be announced separately and then added together to determine each horse-and-rider combination's score for this round from each judging panel. The scores of all the judging panels will be added together to determine the total score of each horse-and-rider combination for this round.

- 2.** The Handy Hunter Round shall be judged on jumping style and efficiency while maintaining style and form, way of going, and overall flow. Pace, brilliance, and handiness are to be rewarded. A horse/rider may not jump decorations or other obstacles in order to create a shorter track. In addition to this base score each judging panel must award an Option Bonus Score consisting of one additional bonus point for every higher height option fence jumped and a Handy Bonus Score on a scale of 0-5 to award handiness in the round. These three scores must be announced separately and then added together to determine each horse-and-rider combination's score for this round from each judging panel. The scores of all the judging panels will be added together to determine the total score of each horse- and-rider combination for this round.
- 3.** The Jump-Off Round, if required, shall be judged and numerically scored on quality, movement, jumping style, manners and way of going. Pace and brilliance are to be rewarded. A horse/rider may not jump decorations or other obstacles in order to create a shorter track. These scores must be announced separately and then added together to determine each horse-and-rider combination's score for this round from each judging panel. The scores of all the judging panels will be added together to determine the total score of each horse-and-rider combination for this round.
- 4.** The total scores of each horse-and-rider combination from each round will be added together to determine their final overall Hunter Derby score. This score will determine the final overall standings for the class. If any of the top 12 entries from the Classic Round elect not to return, then they will receive a score of 0 for the Handy Round.
- 5.** The Option Bonus Score of one additional point for each higher height option fence jumped must be awarded even if there is a refusal, rail down or loss of good jumping style at that higher height option fence, providing that the horse-and-rider combination does jump the higher height option fence.

WHEN PASSION DEMANDS MORE...  
**THE STANDARD**  
IS ONLY THE  
*Beginning*

There's a certain poetry in the equestrian life: the quiet before a ride, the steady breath of a trusted horse, the elegance of movement in perfect harmony.

At Coastal Steel Structures, we build spaces that honor that beauty.

We approach each project with the same care and precision you bring to your craft. Because this isn't just about building, it's about creating a space worthy of your passion and the life you've built around it.

## \$25,000 USHJA 2\* INTERNATIONAL HUNTER DERBY PRESENTED BY LEMIEUX

### ENTRY FEE: \$800

### SOUNDNESS

- A.** Hunt and Go Format – horses must trot for soundness at the conclusion of the Handy Round phase

### STABLING/SCHOOLING

- A.** All horses competing in the Derby class must be on the competition grounds a minimum of 24 hours prior to the start of the first round of the class.
- B.** All horses will be monitored and must remain on the competition grounds until the horse is finished competing in the Derby class. Any horse that leaves the premises prior to completing its participation in the Derby class is disqualified.
- C.** All horses must be ridden in official horse show schooling areas unless competition management designates a specific schooling area for derby horses. Riders must wear the horses' competition number while mounted.

### MEMBERSHIP & PARTICIPATE REQUIREMENTS

- A.** Riders, Owners and Trainers must be current Active members of USEF and USHJA prior to the start of the class.
- B.** Horses must be recorded with USEF and USHJA.
- C.** Horses must be enrolled or **pay a non-enrolled horse fee to participate.**
- D.** The same horse may not compete in a USHJA International Hunter Derby & USHJA National Hunter Derby at the same competition.
- E.** Horses entered in this class are not required to show in any other hunter or jumper class at the same competition.

### HUNT AND GO FORMAT

Consists of two phases, one Classic Hunter Round and one Handy Hunter Round jumped consecutively. All participants will complete both the Classic and the Handy portions even if penalties (rails, refusals, etc.) are incurred. Major penalties (falls, 3 refusals total across both phases, off-course, etc.) will result in elimination.

1. The Classic Hunter Round, consisting of 7-8 fences with 2 high options, shall be judged on quality, movement, jumping style, manners and way of going.
2. After the completion of the classic round, horses will pass through a set of markers to begin their handy portion of the class. The Handy Hunter Round, consisting of 5-8 fences with 2 high options, shall be judged on jumping style and efficiency while maintaining style and form, way of going, and overall flow. A horse/rider may not jump decorations or other obstacles in order to create a shorter track.
3. Each panel (or each judge if two judges are used) will be designated either the Classic Hunter Phase or the Handy Hunter Phase. Each will provide a single score for their designated phase, in addition to the Bonus points of one point per high option jump that will be added to each judging's score. The scores from each judge will be added together to determine the total score and placement.
4. The Option Bonus Score of one additional point for each higher height option fence jumped must be awarded even if there is a refusal, rail down or loss of good jumping style at that higher height option fence, providing that the horse-and-rider combination does jump the higher height option fence.

### PRIZE MONEY

\$7,500, \$5,500, \$3,250, \$2,000, \$1,500, \$1,250, \$1,000, \$750, \$750, \$500, \$500, \$500

All riders in the top 12 overall (or their designated representative if they are not available) must ride for ribbons in order to receive prize money.

### Cooler Awarded to First Place

## INTRODUCING THE BLUE WING TECHNOLOGY YOU CAN FEEL

[VoltaireDesign.com](http://VoltaireDesign.com)

## THE 17<sup>TH</sup> ANNUAL GREAT CHARITY CHALLENGE EXHIBITION CLASS SPONSORED BY FIDELITY INVESTMENTS®

The teams are made up of 1 professional/Grand Prix rider, 2 Junior/Amateur riders. (The team can have 2 Amateurs, or 2 Juniors or 1 Amateur and 1 Junior)

The course will be made up of 3 consecutive courses, 7 obstacles at 1.10 followed by 7 obstacles at 1.20 followed by 7 obstacles at 1.30. It will be judged as one course of 21 obstacles under Table III faults converted with 2 seconds added for each knock down.

Rider one goes through the start and completes the 1.10 course the next rider starts when rider one's horse lands after the last fence the next rider goes around the 1.20 course and once they land after the last fence the professional goes around the 1.30 course and crosses the final finish line.

The team with the fastest time over the 21 fences will be the winner.

The band will play a 45 second intro while the riders become acclimated with the ring and set in their ready positions.

Please note that we need all teams to enter at the instruction of staff and exit promptly after the completion of their round. We are holding the next team up from entering the ring until all horses have cleared the ring chute. After leaving the chute please go left.

### COSTUME GUIDELINES

Please note that Management reserves the right to ask riders to remove any part of their costumes which are considered unsafe while competing (examples include capes, anything that obstructs vision or scares horses, etc). We highly encourage team spirit and fun, but safety needs to be paramount.

All costume judging to take place during the course walk in the International Arena.

### Riders Are Not To Start During The Initial 45 Second Music Set

At the conclusion of the music set, the tone will be immediately sounded and the countdown clock will start at 15 seconds. If the countdown clock reaches the end of the 15 seconds without a start, the timer will automatically begin. The professional must jump the 1.30 course but the team can decide who jumps the 1.10 and 1.20 courses.

### CLASS SCORING CLARIFICATIONS

2 seconds added for each rail.

4 seconds added total for a refusal with knockdown.

5 seconds will be added in the event the next team member in sequence leaves the ground jumping fence #8 or #15 before the previous team member's horse's front two feet land from fence #7 or #14 respectively. The ground Judges at Fence #7 and fence #14 will signal the landing of the fence by raising a red flag.

15 seconds will be added for any fall of a horse or rider. The clock will stop. A tone will be sounded when it is safe for the next team member to take over in the course where the previous team member fell.

Each team rider is permitted only two refusals. The 1.10 or the 1.20 team rider is eliminated for two refusals and or fall of horse or rider: If this takes place, it is the next team member in sequence that is responsible for taking over in the course where the previous team member left off. If the professional is eliminated for two refusals or fall, unfortunately the team will not receive a score.

**Holding Area Safety** - For the past several years there has been too many people on the ground around the horses prior to the teams going in the ring. In the interest of safety, with the exception of a single team captain and 1 groom per horse we will be requiring everyone else to remain behind the barrier fences. This is for both before the round and after the round. The teams will be responsible for any of these violations and can be assessed a one second penalty by Management or officials for any violation. This is in the interest of everyone's safety so please make sure all of your ground support are aware of these rules.

The decision of the ground jury and/or management is final.

## 130 \$100,000 EXHIBITION STAKE CLASS FOR THE BENEFIT OF THE NEIL S. HIRSCH BOYS & GIRLS CLUB OF WELLINGTON

*This class will be conducted under USEF General Rules and drug testing procedures. Points from this class are not to be counted towards USEF or USHJA HOTY Awards*

Open to up to 25 teams. The top 22 teams will qualify as per specifications below, and three additional teams will be awarded to Wild Card Buy In For Charity\*. Team nominations will be accepted in the Horse Show Office from January 8, 2026 until February 3, 2026. Entry Fee for the class will be \$2,400/Team. The top 22 nominations will be accepted based on the cumulative point totals of all three horses on a team earned showing in any rated division with jumps set at 3'3" or higher during the ESP Holiday Series and/or the Winter Equestrian Festival up to and including WEF IV. Point totals to be based on the WEF point chart used for WEF Circuit Awards. In the case of a tie for the twenty second position, the top professional point value will break the tie. If necessary to reach the maximum number of 25 teams entered, at Management's sole discretion, additional entries may be accepted after the close of entries. No nomination fees will be charged for teams that are not ultimately accepted.

**Wild Card Buy In For Charity\*** - Three additional teams will be awarded entry into the class based on the three top bids. Wild Card Teams are exempt from qualification factors. A silent auction bidding sheet will be placed in the Show Office. Bidding will close on February 6th, 2026 @ 4pm. 100% of the top three team bids will go directly to the Boys and Girls Club Charity.

Each team will consist of one professional, one amateur and one junior rider. Teams will be created by the individual team members and will be entered as teams. With the exception of wild card teams, to be eligible to compete, all horses and riders on any team must have competed in at least one class with jumps 3'3" or higher at any competition held during the ESP Holiday Series, or the Winter Equestrian Festival up to and including WEF IV. Each rider on a team must have a designated trainer and designated groom. In order to achieve the goal of 25 competition teams for charity, management reserves the right to amend qualifying or team restrictions.

This class will be held over one round. Each of the three riders on a team will compete once. Individual riders on each team may compete for their team in the order in which they choose.

### FORMAT

- The course will be divided into three consecutive courses with six to eight jumps in each course.
- The three courses will increase in difficulty with the final course being a Handy Hunter Course.
- Each team will choose the order in which their team members will compete.
- All three riders on a team will enter together and go to their individual designated position on the field prior to starting their rounds.
- Once the team is positioned on the field and the team is introduced by the announcer a tone will be sounded and the first rider on each team must be prepared and proceed to their first jump.
- As the first rider on each team lands from the last jump on their classic course, the second rider from their team must be prepared and on the approach to their first jump. They may not jump their first jump until the previous rider has landed from their last jump.
- As the second rider on each team lands from the final jump on their classic course, the third rider from their team must be prepared and on the approach to their first jump. They may not jump their first jump until the previous rider has landed from their last jump.
- If a rider on any team jumps the first jump of their course prior to the previous rider jumping the last jump of their course that rider will receive a score of zero.
- As the third rider on each team completes their course, the entire team will come together and exit as a team while their total scores are announced and posted.
- All teams enter at the instruction of staff and exit promptly after the completion of their rounds.

### COURSE

- Each section of the course will consist of six to eight fences set at 3'3".

## \$150,000 WCHR PETER WETHERILL PALM BEACH HUNTER SPECTACULAR CONTINUED

- a.** In the event of two way California Split, or more, the Champion and Reserve Champion of each split section (section A, section B, section C, etc.) are qualified. No further invitations will be extended even if any of the section's Champion or Reserve Champion decline or have a bye.
- K.** A horse must be ridden by the same rider throughout the entire hunter section (exception: under saddle classes) to be eligible to compete in the 2026 WCHR Hunter Spectacular of Palm Beach. Qualifying to compete in the WCHR Hunter Spectacular is based on the horse-and-rider combination; no horse or rider substitutions allowed.
- L.** Those riders who pre-qualify for the WCHR Hunter Spectacular through a bye must utilize that bye through entering a horse of their choice and then may qualify one additional horse out of the eligible hunter sections (see J1-6). When a rider with one (1) bye qualifies two (2) horses out of the eligible hunter sections the horse with fewer points in their hunter section must be used for the bye.
- M.** In the case that a rider pre-qualifies with two (2) byes he/she must utilize both of those byes. In the event that a rider has two (2) byes, he/she may not qualify any additional horse out of the eligible hunter sections.

In the Green Conformation and High Performance Conformation, the model class points will not count towards qualifying.
- O.** Horse-and-rider combinations will compete at the respective height of the section from which they qualified or in the case of invitees, at any one respective height for which they are eligible.
- P.** In fairness to all potential entrants, declarations from Professionals to show in the WCHR Hunter Spectacular, whether utilizing a bye or qualifying from one (1) of the following hunter sections: Green 3'6", Green 3'9", Green Conformation, High Performance Conformation, Performance Working Hunter 3'6" and High Performance Working Hunter, must be made with USHJA staff at the USHJA/WCHR tent and in the Horse Show office by noon on Friday, February 13, 2025. Riders who have a bye must declare their intent to compete by the Friday deadline; they then have until one-hour after the last qualifying WCHR section is completed to designate their horse. Once the competitor declares or declines their intent to compete in writing with USHJA, that decision is final.
- Q.** Declarations from Juniors and Amateurs must be made within one (1) hour of the conclusion of each rider's last eligible section. (i.e., Juniors after the final Junior Hunter Section and Amateurs after the final Amateur Owner Hunter Section) whether utilizing a bye or qualifying from one (1) of the Junior and Amateur sections. This will allow WCHR to extend timely invitations to the next eligible rider should someone decline to participate.

## 920

## \$10,000 USHJA NATIONAL HUNTER DERBY

### HUNT & GO

PRESENTED BY NETJETS

#### ENTRY FEE: \$585

#### SCHOOLING

During the two (2) rounds of the National Hunter Derby, all horses entered must be ridden in official horse show schooling areas unless Management designates a specific schooling area for National Hunter Derby horses. Riders must wear their horse's Derby competition number while mounted. This includes horses entered simultaneously in another class, if any. Entered horses ridden or schooled elsewhere on the competition grounds or NOT wearing their Derby competition number will be eliminated from competing in the Derby and the entry fee will be forfeited.

#### MEMBERSHIP AND PARTICIPATION REQUIREMENTS

- A.** Riders, owners, and trainers must be current Active members of USEF and USHJA to participate in this class. (see GR202).
- B.** Horses and ponies must be registered with USHJA to participate in this class.
- C.** Exception: Foreign residents and horses and ponies in good standing with their National Federation are eligible to compete in this class but will not receive points unless they follow I.A. and I.B.
- D.** USHJA National and Zone HOTA bonus points will only be awarded if the owner is a current Active member of USEF and USHJA and the horse is recorded with USEF and registered with USHJA.
- E.** Money won will only count for any USHJA National Hunter Derby standings or awards if the rider, owner and trainer are current Active members of USEF and USHJA, and the horse is registered with USHJA.

#### SOUNDNESS

Horses entered in this class will NOT be required to jog for soundness. All horses are required to trot a circle on a loose rein at the end of the over fences phase listed below. Horses may be asked to return to the ring and trot another circle at the judge's discretion. Judges have the authority to disqualify a horse if deemed unsound. Any unsoundness during the competition will be reflected in the scores from the judges (GR1033.6).

- A.** Hunt and Go Format – horses must trot for soundness at the conclusion of the Handy Round phase.

#### COURSE REQUIREMENTS

##### STANDARD HUNT & GO FORMAT

The Hunt and Go format will consist of two (2) phases, one (1) Classic Hunter and one (1) Handy Hunter. The phases will be jumped consecutively. All participants will complete both the Classic and the Handy portions even if penalties (rails, refusals, etc.) are incurred. Major penalties (falls, 3 refusals, off course, etc.) will be combined from the Classic and Handy rounds and will result in elimination. (i.e. a horse who has two refusals in the Classic Round will be eliminated after one refusal in the proceeding Handy Round.)

- A.** The Classic Hunter Round, consisting of five to seven (5-7) fences with two (2) high options, shall be judged on quality, movement, jumping style, manners and way of going.

- B.** After the completion of the classic round horses will pick up their pace and pass through a set of markers to begin their handy portion of the class. Riders are not permitted to walk or pause between rounds. The Handy Hunter Round, consisting of five to seven (5-7) with two (2) high options, shall be judged on quality, movement, jumping style, manners and way of going. Pace, brilliance, and a shorter track are to be rewarded. A horse/rider may not jump decorations or other obstacles in order to create a shorter track.
- C.** Two (2) judges are required to judge the class. Each judge will be designated either the Classic Hunter Phase or the Handy Hunter Phase. Each will provide a single score for their designated phase, in addition to the Bonus points of one point per high option jump that will be added to each judging's score. The scores from each judge will be added together to determine the total score and placement.
- D.** A judging assistant may be present during all phases of the competition. The duties of the judging assistant include notifying the Judges if a rail comes down and when a horse jumps the higher height option fences. The judging assistant is not required to be a licensed official and is not responsible for the scoring of the judging panels. A competition staff member may fill this role.
- E.** The Option Bonus Score of one (1) additional point for each higher height option fence jumped must be awarded even if there is a refusal, rail down or loss of good jumping style at that higher height option fence, providing that the horse-and-rider combination does jump the higher height option fence.
- F.** For the Hunt and Go Format it is recommended that the judge designated to the Classic Hunter phase be the tie breaker.

#### ATTIRE

Formal dress attire is suggested but not required: Buff breeches and Shad belly. White breeches and dark or scarlet coat, hunt colors, or official sponsor or team jacket permitted.

This class will be run in accordance with all rules stated in HU189. Log on to [USHJA.org](http://USHJA.org) for more information regarding this class.

#### HUNT AND GO FORMAT

Consists of two phases, one Classic Hunter Round and one Handy Hunter Round jumped consecutively. All participants will complete both the Classic and the Handy portions even if penalties (rails, refusals, etc.) are incurred. Major penalties (falls, 3 refusals total across both phases, off-course, etc.) will result in elimination.

- 1.** The Classic Hunter Round, consisting of 7-8 fences with 2 high options, shall be judged on quality, movement, jumping style, manners and way of going.
- 2.** After the completion of the classic round, horses will pass through a set of markers to begin their handy portion of the class. The Handy Hunter Round, consisting of 5-8 fences with 2 high options, shall be judged on jumping style and efficiency while maintaining style and form, way of going, and overall flow. A horse/rider may not jump decorations or other obstacles in order to create a shorter track.

The scores from each judge will be added together to determine the total score and placement.
- 4.** The Option Bonus Score of one additional point for each higher height option fence jumped must be awarded even if there is a refusal, rail down or loss of good jumping style at that higher height option fence, providing that the horse- and-rider combination does jump the higher height option fence.

Horses entered in this class will NOT be required to jog for soundness. All horses are required to trot a circle on a loose rein at the end of the over fences phase listed below. Horses may be asked to return to the ring and trot another circle at the judge's discretion. Judges have the authority to disqualify a horse if deemed unsound. Any unsoundness during the competition will be reflected in the scores from the judges (GR1033.6).

- A.** Hunt and Go Format – horses must trot for soundness at the conclusion of the Handy Round phase.

The WEF Equitation Championship is a unique Equitation Finals. The term "equitation" is synonymous with "good riding" which is what this finals stands for. Riders will have the opportunity to show in The International Arena and be judged on their execution and style by several top horseman, some of which can be High Performance Riders.

**QUALIFICATIONS:** Invitations are automatically extended to winners prior to March 19 of any 2026 Winter Equestrian Festival (Premiere-WEF 11), & 2026 Holiday Series USEF Hunt Seat Medal, ASPCA Maclay, USEF Talent Search or WIHS Overall, Hunter Phase or Jumper Phase equitation classes. Previous winners of the WEF Equitation Championship are no longer eligible to compete. We will accept the top 40 riders for this final. If 40 riders are not entered by 4:00 P.M. on Wednesday, March 18, we will accept riders based on their ranking using the Christy Conard standings. This FINAL is open to Junior members only.

**JUDGING:** The Judges panel will consist of 5 to 6 top horsemen designated by management. Each panel will submit a numerical score for Round 1 and Round 2 which will be added to the other panels score. One judge will judge the schooling area and penalize any rider with questionable practices from the time the horse enters the designated holding area and throughout the exhibition. Knowledge of USEF Jumper schooling rules EQ108.15 (see JP Appendix A) and good horsemanship may be rewarded. A negative 1 (-1), negative 2 (-2), zero (0), plus 1 (+1), or plus 2 (+2) may be added to the final round 1 and round 2 score. Round 3 will be scored but not announced.

**PROCEDURES:** All horses must remain in the designated area under the supervision of the Schooling Judge and the paddock master. Riders will be responsible for the management, warm up, and schooling of their own horse with the assistance of one (1) groom. Trainers will **NOT** be allowed to enter the designated area or competition ring throughout the exhibition. Competitors will be immediately eliminated for the use of a cell phone or any contact between trainer and rider. The course and schooling will be the sole responsibility of the rider. Class will be conducted under USEF Jumper Schooling Rules EQ108.15 (see JP Appendix A).

**ORDER OF GO:** Order of go will be established based on the qualified riders ranking according to the Christy Conard Perpetual Standings as of the end of the day Wednesday, March 18, 2026. The order of go will be in reverse order.

**TACK AND ATTIRE:** As per EQ 105.5a. Conventional hunter tack

**ROUND 1:** To be scored over fences. This course may include gymnastics, trot fences, oxers, verticals, and combinations. There will be no liverpools, water jumps, or a time allowed.

Fences will be maximum of 3'6" in height and width. Open numerical scores will be given by each panel of judges. The scores will be added for a round 1 score and then the schooling judge score will be awarded to make the final round 1 score. Judge panel #1 score will break all ties for round #2.

**ROUND 2:** The top 12 riders from round 1 will return for round 2 in reverse order from Round 1. In the event of a tie for the 12th rider, they will both qualify for round 2. This course will be a minimum of 8 jumps with a maximum height and width of 3'6" with one simple change of lead being incorporated in the course. The scores will be added for a round 2 score and then the schooling judge score will be awarded to make the final round 2 score. The total scores from both rounds will be added together to determine the top four (4) riders for round 3.

**ROUND 3:** The top four (4) riders after rounds 1 and 2 will return the same night. In the event of a tie for the 4th rider, the highest score from round 2 will be the tie breaker. All four riders will enter the International Arena on their mounts for additional testing. This round may include USEF EQ 112 TESTS 1-19 as found in the USEF rulebook. Round 3 will be scored but not announced.

Operating such devices in areas where people gather may be deemed "unsafe use" if there is a risk of harm to others. If the operator of the device is a minor, the parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating the device in violation of this rule is accountable and may be subject to penalties. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule.

### 25. DOGS/PETS

Dogs/Pets are not permitted to be loose on competition grounds and must be on a leash or otherwise contained. Individuals must not lead dogs/pets on a leash while mounted. Dog/Pet owners failing to comply with this rule may be subject to penalty under Chapters 6 and 7, as well as issuance of warning cards. GR1301.6 Any dog/pet that is found loose will be detained by the show until a fine is paid. Any dog /pet that disrupts an exhibitor's round will be required to pay the exhibitor for that round plus a \$100 fine to the show. Also, please dispose of all dog/pet waste in the proper containers. Florida regulations require that all equines be covered by official interstate health certificates, issued by a licensed veterinarian, showing that the animals are free from any symptoms of any infectious or communicable disease. The certificate shall include the name of the owner and address, destination in FL, number of horses examined, the name, registration number(s), if any, tattoo, if any, sex, age, rectal temperature, color, and markings of each animal listed. ### 27. MEDICAL WASTE

In accordance with the 1989 Federal Waste Tracking Act which restricts the disposal of medical waste, Bio Hazardous Medical Waste Containers will be provided in the stable area. All exhibitors and their agents are responsible for the proper disposal of this waste. Sharps will be placed in sharp containers provided. Anyone found discarding sharps in any other manner will be fined up to \$250 per instance and held responsible for any fines or expenses incurred by management. Violations to this rule will be dealt with very seriously. Improper disposal of sharps poses a serious health threat to anyone who may come in contact with it. Please make sure that anyone who handles these sharps on your behalf are aware of the responsibility involved. Neither ignorance or language will excuse fine enforcement. If you need additional containers or any assistance with the disposal of sharps, please ask the office or a member of the staff. Only those stabled on-site are able to use our sharps containers. Dumping sharps from Off-Site barns or stalls will not be tolerated. Thank you for your cooperation.

### 28. LIABILITY

- A.** Florida Senate Bill 1658 Equine Zero Liability Statute: Warning — Under FL Law an equine activity sponsor or equine professional is not liable for an injury to, or the death of, a participant in equine activities resulting from the inherent risk of equine activities. Also see FL Equine Activity Statute - FL Statutes Title XLV TORTS Chapter 773 Equine Activities.
- B.** "All owners and competitors are personally responsible for damages to third persons caused by themselves, their employees, their agents or their horses. They are therefore strongly advised to take out third-party insurance providing full coverage for participation in equestrian events at home and abroad, and to keep the policy up to date."

### 29. DISPUTES

Should any question arise that is not provided for in the rules, the same shall be referred to the competition committee whose decision shall be final. In exceptional circumstances, together with the approval of Chefs d'Equipe and Ground Jury the OC reserves the right to modify the schedule in order to clarify any matters or matters arising from an omission or due to unforeseen circumstances. Any such changes must be notified to all competitors and officials as soon as possible and they must be reported to the Secretary General by the Foreign Judge.

### 30. WEF GENERAL & ANIMAL WELFARE POLICY

Upholding the welfare of the horses exhibited here is of primary concern to Equestrian Sport Productions, LLC. We require that all horses be treated with kindness, respect and compassion and never be subject to mistreatment. Owners, trainers, riders and grooms, or their agents, must use reasonable care in the handling and treatment of their horses, whether owned or placed in their care for competition or for any other purpose. At all times for horses competing at the WEF we will provide for the continuous well-being of the horse by vigorously enforcing the rules of the U.S. Equestrian, Inc. which pertain to the welfare of the horse. Exhibitors are cautioned that GR839 (which defines the Federation policy on abuse), GR843 (which pertains to Poling), and GR803 (which pertains to the Use of Whips), will be strictly enforced. Any handling and veterinary treatment should ensure the health and welfare of the horse. High standards of nutrition, health, sanitation and safety shall be encouraged and maintained at all times. Adequate provision will be made for ventilation, feeding and watering and maintaining a healthy environment. Any method of riding and training should take into account the horse as a living entity, and must not include any technique considered to be abusive. The well being of the horse must be considered above the demands of the breeders, trainers, riders, owners, dealers, organizers, sponsors or officials. Violators are subject, under the above rules, to elimination from competition and to protest or charge with resulting formal proceedings which may result in severe fines, suspensions or other penalties. To affirm the sport of show jumping to the general public in a positive, humane light, and eliminate those training methods which may be misconstrued, we are maintaining the following policy for all horses competing in the WEF starting one half hour before the first scheduled class of the competition and continuing until the last scheduled class of the competition is completed

### 31. POLING & OFF-SETS

Manual poling and the use of bamboo offsets are prohibited for all horses competing in the WEF. Any rider, trainer, groom or any other person who is in violation of the rules set forth above will be fined \$500 for each incident and may be suspended from further competition for the duration of the scheduled competition starting from the time of the incident. Any horse upon which a violation of the manual poling and/or use of bamboo off-sets rule is perpetrated will be suspended from competition for the duration of the scheduled competition. All entry fees for the classes entered during the suspended period of the horse in question will be forfeited.
