Important National Class Information:

Amateur Classes (AA) ○ Individuals possessing current amateur certification are only eligible as Adult Amateurs from the beginning of the calendar year in which they reach age 22.

- Only active United States Equestrian Federation members may obtain amateur status. (Exception: Equine Canada members in possession of current EC membership may sign for USEF Amateur status on a show-by-show basis at no cost).
- Participants must possess current USEF Amateur status and qualify under the USEF Amateur rules. If opportunity classes at Dressage Competitions are restricted to amateurs, riders are required to have an amateur status with USEF.

The Junior/Young Rider Classes (JR/YR)

Riders are eligible to compete in these classes until the end of the calendar year in which they reach the age of 21

The Pony division

For this competition, classes are offered from USEF Training Level through USEF Third level with classes designated for the JR/YR, the Adult Amateur, and the Open riders. The pony division is open to all breeds that meet the following measurement requirements. In the Dressage Division, a pony is an animal that does not exceed 148 cm (14.23 hh) without shoes, and 149 cm (14.27 hh) with shoes. The pony can be of any sex (Mare, Stallion, or Gelding).

- Ponies under the age of eight and in possession of a valid temporary card from another division or discipline should submit a copy with their entry.
- Measurement will be required for these pony specific classes if they do not currently have a valid measurement card. Measurement will be yearly beginning from the age of three (36 months) until the pony has reached the age of eight years. Animals three through seven years old will be issued an annual Temporary Certificate of Measurement and must be re measured annually until the age of eight years. Animals eight years and older will be issued Standard Certificates of Measurement which will not need to be renewed. Measurement must be done on USEF Combined Driving and Dressage Pony Measurement form. The individual responsible for presenting the pony for measurement must be 18 years old. Animals submitted for measurement or re-measurement must show no evidence of lameness and must be jogged for soundness prior to the measurement. Animals showing evidence of lameness are not eligible for measurement or re measurement.
- The pony must be entered to compete at the competition for a measurement to take place.
- When the competition veterinarian is on call and an alternative measurement time is necessary, management must receive a written request for measurement from the owner or agent at least five days prior to the start of competition to set up a time.
- It will be the pony owner's responsibility for the fee charged (if any) by the veterinarian. This must be done prior to first ride.

Classes per Day

Horses are limited to a maximum of three Dressage rides per day at Fourth Level and below (including Rider Tests) or two Dressage rides per day above Fourth Level. Horses competing at both Fourth Level and Prix St. Georges, or their equivalents, are limited to two Dressage rides per day. Dressage Seat Equitation, Quadrille, Pas de Deux and Matiere classes are excluded from the maximum limit of rides per day and horses in these classes may compete at any level for which they are otherwise eligible during the same competition.

Consecutive Levels

Horses may enter no more than two consecutive levels, Freestyle levels included, at any one competition.

Arena Size

All classes will be conducted in a standard size arena (20 m x 60 m)

Current Rules: The rules may have changed from the current USEF Rule Book. It is the competitor's responsibility to check the current USEF Rule Book for any changes. Current rules can be found on www.usef.org.

Awards for National Classes: Ribbons to sixth place for each class. Divisions (JR/YR, AA, Open) may be run concurrently as one class. Divisions will be pinned separately. Riders must clearly specify their division choice. When no designation is made, riders will automatically be entered as open. Riders may enter only one division per class.

Any additional prizes will be posted at the show office.

ATTENTION COMPETITORS

Each competitor is responsible for supplying management with correct applicable numbers (USDF and USEF) for horse, owner, rider, and trainer, before the day(s) of the competition.

The scores of competitors who fail to supply correct numbers may not be counted toward national awards.

Horse Health Requirements for Entry: It is recommended that all horses stabling on the AGDF grounds arrive between 8:00 am and 5:00 pm. If it is necessary to arrive at any other time, you must make arrangements with the show office prior to arrival. Management strives to provide an excellent showing environment. An integral part of an excellent showing environment includes healthy horses. Exhibitors, especially those traveling long distances, can contribute to that healthy environment by following some basic recommendations listed below. Please monitor our web site for any additional and possibly mandatory requirements.

IMPORTANT EQUINE HEALTH INFORMATION

Equestrian Sport Productions has had vaccination protocol in place since 2013. We will now adhere to GR845 in which:

At Federation licensed competitions horses, more than 7 months of age, entering the grounds must be accompanied by documentation of Equine Influenza Virus and Equine Herpes Virus (Rhinopneumonitis) vaccinations within six months prior to entering the stables. Horses not in compliance with this rule may be required to leave the competition grounds upon request by Competition Management. Documentation should consist of one of the following methods mentioned below. The frequency of vaccine administration should be per the vaccine manufacturers' or veterinarian's recommendations. It is recommended that vaccines are administered by or under the direction of a veterinarian.

2. In the case of vaccines administered by a veterinarian, the exhibitor, upon request by Competition Management, must provide documentation from the veterinarian on documenting that the horse in question received the vaccinations; name of the vaccines and date of vaccine administration.

3. In the case of vaccines administered by a person other than a veterinarian, the exhibitor, upon request by Competition Management, must provide a receipt of the vaccine purchase which is signed by the owner, or agent with care, custody, and control of the horse; name, serial number and expiration date of the vaccine; and date of vaccine administration.

4. In the case of a horse that is unable to receive either of the vaccinations due to a history of adverse reactions, the exhibitor, upon request by Competition Management, must provide a letter from the veterinarian on official letterhead stating that the horse in question cannot be vaccinated due to medical concerns and a log of temperatures taken twice daily for the seven days prior to entering the competition grounds. These horses must also have their temperature taken and logged twice daily while on the competition grounds. The log of temperatures should be provided to the Competition Management, steward, or technical delegate when requested.

5. A current negative coggins test. Please renew before it expires, and not just before it is necessary to leave the state. It is strongly recommended that all horses be vaccinated for Equine EHV-1 (either modified live or killed vaccine) no sooner than 7 days prior and no later than 180 days prior to entering the show grounds. Most EHV-1 vaccines are only considered effective for 180 days. Check with your veterinarian about which vaccine you use.

6. Once the horse leaves the facility you may be required to show a new Statement Of Health upon your return to the facility. Current vaccination against WNV, EEE, WEE, Tetanus and Rabies is strongly recommended.

7. You should be able to document your horses normal temperature before arrival. Please do not ship horses with elevated temperatures. It is recommended that you establish a log of temperatures taken at least twice daily. If there is an elevated temperature for more than a 24 hour period, please consult your local Veterinarian immediately.

8. Every effort should be made to minimize stress and commingling of horses shipped long distances. Extra hours on a horse van, or moving from stable to stable is the fastest way to compromise your horses' and your neighbors horses' health.

9. Any horse on the show grounds with a fever of unknown origin or of suspicious origin must be reported to ESP Management. It is always better to err on the side safety. Isolation stalls will either be available on the grounds or at a local veterinary practice if the need arises.

10. Please take the time to review equine good hygiene practices and impress its importance to your groom in everyday care.

USDF Horse Welfare Statement

As those engaged in equestrian sport, we are committed to ensuring our horses receive the best possible care to the best of our ability. We acknowledge that we are the caretakers of our horses and as such we are committed to always, without exception, treating our horses with dignity, fairness, kindness, and understanding.

We realize that horses, whether in a herd or as an individual, will communicate contentment, fear, pain and confusion in the only way they can, which often takes the form of physical reactions that can be misinterpreted and misunderstood.

Therefore, we believe it is our obligation to seek to understand our horses with the goal of providing care and training methods that are never the manifestation of anger, frustration or cruelty. We are committed to these principles at all times, whether on or off the show grounds.

We are committed to humane treatment and application of these principles on behalf of all animals including but not limited to horses, donkeys, mules, companion animals, and pets. Lack of humane treatment, whether the result of actions taken, or by care withheld, will not be tolerated.

Memberships Defined

Participating Membership (PM): A membership issued to an individual directly by USDF. The membership year is December 1 through November 30. PMs are available for 1-year (\$100), 5-years (\$400), or life (\$2,000). A USDF Youth Participating Membership (YPM) is available for individuals who have not reached their 21st birthday by December 1 of the current membership year (\$80). A PM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan[®]/USDF Year-End Awards and the Great American Insurance Group/USDF Regional Dressage Championship program.

Group Membership (GM): A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards Program.

Business Membership (BM): A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM (\$280) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

Non-Member (NM) Identification Number: For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of \$55 per competition that must be collected by the show secretary and submitted to USDF, along with the USDF Report of Fees document and the \$5 affidavit fee and Competition Affidavit Form if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF PM, GM, or BM there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post-competition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

Horse Identification (HID) Number: A one-time tracking number for horses (\$45). Scores earned by a horse with an HID number will be recorded but will NOT be counted towards Adequan[®]/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$95. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

Lifetime Horse Registration (LHR): A horse with an LHR (\$140) is eligible for Adequan[®]/USDF Year-End Awards, and eligible to compete in Great American Insurance Group/USDF Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.
