Any Regionals course must adhere to the above stated specifications and be of sufficient difficulty to typify the Finals and reflect the importance of the class. While the courses at all Regionals need not be identical, they should reflect equal difficulty and challenge.

Judging: Each Regionals shall have two (2) "R" Judges. One of these judges must be selected from the approved list of judges supplied by the NHSAA. The second judge is not required to be selected from this list but must be approved by the NHSAA. Judges for the Finals are ineligible to judge any Regionals in the same year.

Riders are to be judged on seat, hands, guidance, and control of horse. Two refusals will eliminate a rider from Regionals competition.

Use of the open numerical system of judging not to be used.

After completion of the jumping phase, if available, a minimum of ten (10) more riders than one-half the number of riders competing in the Regionals are required to show at a walk, trot and canter. At the sole discretion of the judges, additional flat work may be called for, but all groups must be asked to perform the same tests. No more than twenty (20) riders at a time may be asked to work together in a group at the same time. The flat performance of those riders selected to show in the flat phase shall count 50%. Changing of bit/bridle between phases is permissible.

After the flat phase the Judges may request further testing using USEF tests 1-23. Riders may only be selected for further testing if after the flat phase they are already assured an invitation (based on percentages) to compete in the Finals.

The Judges will select a Champion, Reserve Champion, and Third through Tenth place finishers at each Regionals. In addition, the judges will determine a stand-by list of all the additional entrants who returned for the flat phase. This stand-by list will be announced publicly, made available to all competitors, and emailed to the NHSAA office.

When the Regionals are completed, and the riders qualified for the Finals have been selected the judge's cards will be immediately sealed. The judge's cards, class sheet, jump order, official results sheet and a detailed copy of the course diagram will be emailed directly to the NHSAA office.

For every horse participating in any competition licensed by the Federation, a \$25 Federation fee will be collected (\$15 shall be an Equine Drugs and Medication fee to provide for research, inspection, and enforcement of rules regarding use of medications and drugs; see GR407.1, .2 and .3). Exception: Horses entered in classes exempted from the Equine Drugs and Medication fee are also exempt from the balance of the Federation fee. A \$10.00 USHJA Fee per horse entered at National & Jumper 4* And Higher Shows. \$33 will be charged for each horse competing in FEI competitions. An IHP fee of \$35 will be charged to each horse showing in any Computer Ranked Grand Prix.

JUMP ORDER

In all classes over fences management MAY designate the order of go. All orders will be posted at least 30 minutes before the class and the one minute rule will be in effect. Riders that foresee conflicts must communicate with the paddock masters involved — don't rely on radio contact only! Riders are forewarned that the show will not be held up because of trainer conflicts. After order of go in any class is posted there will be no refunds allowed. Jumper classes with a posted order of go will use the following procedure in accordance with JP112.2: the horses names are drawn individually, starting from the first position and then down.

AIR VESTS

Air vest are allowed (and encouraged) in all disciplines. For Hunter and Equitation Classes Judges are instructed not to deduct points for the use of air vests worn over coats. Please note that the show will not be delayed in order to reset air vests. Riders who choose to wear air vests are therefore strongly encouraged to have spare equipment (air canisters, tethers and entire vests) so that vest that have been inflated can quickly be returned to their operation. Please look for air canister recycling containers located at participating Air Vest vendors.

MEDICAL WASTE & SHARPS

In accordance with the 1989 Federal Waste Tracking Act which restricts the disposal of medical waste, Bio Hazardous Medical Waste Containers will be provided in the stable area. All exhibitors and their agents are responsible for the proper disposal of this waste. Sharps will be placed in sharp containers provided. Anyone found discarding sharps in any other manner will be fined up to \$250 per instance and held responsible for any fines or expenses incurred by management. Violations to this rule will be dealt with very seriously. Improper disposal of sharps poses a serious health threat to anyone who may come in contact with it. Please make sure that anyone who handles these sharps on your behalf are aware of the responsibility involved. Neither ignorance or language will excuse fine enforcement. If you need additional containers or any assistance with the disposal of sharps, please ask the office or a member of the staff. Thank you for your cooperation.

POLING

We do not allow any sort of manual poling or poling of any type on the competitions show grounds.

IMPORTANT EQUINE HEALTH INFORMATION

Equestrian Sport Productions has had vaccination protocol in place since 2013. We will now adhere to GR845 in which:

1. At Federation licensed competitions horses, more than 7 months of age, entering the grounds must be accompanied by documentation of Equine Influenza Virus and Equine Herpes Virus (Rhinopneumonitis) vaccinations within six months (180 days) prior to entering the stables. Horses not in compliance with this rule may be required to leave the competition grounds upon request by Competition Management. Documentation should consist of one of the following methods mentioned below. The frequency of vaccine administration should be per the vaccine manufacturers' or veterinarian's recommendations. It is recommended that vaccines are administered by or under the direction of a veterinarian.

2. In the case of vaccines administered by a veterinarian, the exhibitor, upon request by Competition Management, must provide documentation from the veterinarian on documenting that the horse in question received the vaccinations; name of the vaccines and date of vaccine administration.

3. In the case of vaccines administered by a person other than a veterinarian, the exhibitor, upon request by Competition Management, must provide a receipt of the vaccine purchase which is signed by the owner, or agent with care, custody, and control of the horse; name, serial number and expiration date of the vaccine; and date of vaccine administration.

4. In the case of a horse that is unable to receive either of the vaccinations due to a history of adverse reactions, the exhibitor, upon request by Competition Management, must provide a letter from the veterinarian on official letterhead stating that the horse in question cannot be vaccinated due to medical concerns and a log of temperatures taken twice daily for the seven days prior to entering the competition grounds.

These horses must also have their temperature taken and logged twice daily while on the competition grounds. The log of temperatures should be provided to the Competition

Management, steward, or technical delegate when requested.

5. A current negative coggins test. Please renew before it expires, and not just before it is necessary to leave the state. It is strongly recommended that all horses be vaccinated for Equine EHV-1 (either modified live or killed vaccine) no sooner than 7 days prior and no later than 180 days prior to entering the show grounds. Most EHV-1 vaccines are only considered effective for 180 days. Check with your veterinarian about which vaccine you use.

6. Once the horse leaves the facility you may be required to show a new Statement of Health upon your return to the facility. Current vaccination against WNV, EEE, WEE, Tetanus and Rabies is strongly recommended

7. You should be able to document your horse's normal temperature before arrival. Please do not ship horses with elevated temperatures. It is recommended that you establish a log of temperatures taken at least twice daily. If there is an elevated temperature for more than a 24 hour period, please consult your local Veterinarian immediately.

8. Every effort should be made to minimize stress and commingling of horses shipped long distances. Extra hours on a horse van, or moving from stable to stable is the fastest way to compromise your horses' and your neighbors horses' health.

9. Any horse on the show grounds with a fever of unknown origin or of suspicious origin must be reported to ESP Management. It is always better to err on the side safety. Isolation stalls will either be available on the grounds or at a local veterinary practice if the need arises.

10. Please take the time to review equine good hygiene practices and impress its importance to your groom in everyday care.

A horse's green status which is reinstated in accordance with Federation rules is eligible to compete in a USHJA Green Hunter Incentive Stake Class provided all other requirements have been met.

Horses must be enrolled in the USHJA Green Hunter Incentive Program and pay the annual enrollment fee to participate in the Green Hunter Incentive Program classes and to be eligible for the Green Hunter Incentive Program Championship. Additionally, horses must be registered with USHJA and recorded with USEF to participate. Horses must be enrolled in the Green Hunter Incentive Program prior to competing in a Green Hunter Incentive Program class. Only horses appearing on the enrolled list are eligible to compete in a Green Hunter Incentive Program class. Only enrolled horses that have competed in a minimum of two USHJA Green Hunter Incentive Program classes between December 1 and July 31 of the competition year, in which the Championship is held, are eligible to compete in the Championship. It is the exhibitor's responsibility to enroll his horse in a timely manner in order to be eligible to participate.

The final over fence class of the Green Hunter section will also be offered as a USHJA Green Hunter Incentive Stakes Class. Only horses enrolled in the Green Hunter Incentive Program are eligible to participate. Enrolled horses will pay a separate, additional entry fee and will be judged and pinned a second time, against just the other horses enrolled in the GHIS and entered in the Stake class. Horses not enrolled in the GHIS program are eligible for the ribbons and prizes offered in the Green Hunter section only, not the additional GHIS ribbons or prize money.
