IMPORTANT EQUINE HEALTH INFORMATION

Equestrian Sport Productions has had vaccination protocol in place since 2013. We will now adhere to GR845 in which:

1. At Federation licensed competitions horses, more than 7 months of age, entering the grounds must be accompanied by documentation of Equine Influenza Virus and Equine Herpes Virus (Rhinopneumonitis) vaccinations within six months (180 days) prior to entering the stables. Horses not in compliance with this rule may be required to leave the competition grounds upon request by Competition Management. Documentation should consist of one of the following methods mentioned below. The frequency of vaccine administration should be per the vaccine manufacturers’ or veterinarian's recommendations. It is recommended that vaccines are administered by or under the direction of a veterinarian.

2. In the case of vaccines administered by a veterinarian, the exhibitor, upon request by Competition Management, must provide documentation from the veterinarian on documenting that the horse in question received the vaccinations; name of the vaccines and date of vaccine administration.

3. In the case of vaccines administered by a person other than a veterinarian, the exhibitor, upon request by Competition Management, must provide a receipt of the vaccine purchase which is signed by the owner, or agent with care, custody, and control of the horse; name, serial number and expiration date of the vaccine; and date of vaccine administration.

4. In the case of a horse that is unable to receive either of the vaccinations due to a history of adverse reactions, the exhibitor, upon request by Competition Management, must provide a letter from the veterinarian on official letterhead stating that the horse in question cannot be vaccinated due to medical concerns and a log of temperatures taken twice daily for the seven days prior to entering the competition grounds.

These horses must also have their temperature taken and logged twice daily while on the competition grounds. The log of temperatures should be provided to the Competition Management, steward, or technical delegate when requested.

5. A current negative coggins test. Please renew before it expires, and not just before it is necessary to leave the state. It is strongly recommended that all horses be vaccinated for Equine EHV-1 (either modified live or killed vaccine) no sooner than 7 days prior and no later than 180 days prior to entering the show grounds. Most EHV-1 vaccines are only considered effective for 180 days. Check with your veterinarian about which vaccine you use.

6. Once the horse leaves the facility you may be required to show a new Statement of Health upon your return to the facility. Current vaccination against WNV, EEE, WEE, Tetanus and Rabies is strongly recommended

7. You should be able to document your horse's normal temperature before arrival. Please do not ship horses with elevated temperatures. It is recommended that you establish a log of temperatures taken at least twice daily. If there is an elevated temperature for more than a 24 hour period, please consult your local Veterinarian immediately.

8. Every effort should be made to minimize stress and commingling of horses shipped long distances. Extra hours on a horse van, or moving from stable to stable is the fastest way to compromise your horses’ and your neighbors horses’ health.

9. Any horse on the show grounds with a fever of unknown origin or of suspicious origin must be reported to ESP Management. It is always better to err on the side safety. Isolation stalls will either be available on the grounds or at a local veterinary practice if the need arises.

10. Please take the time to review equine good hygiene practices and impress its importance to your groom in everyday care.

11. **ATTENTION New World Screwworm (NWS)**
Horses traveling from Texas or New Mexico or any infested state:

Any horse that has been in infected states within 14 days prior to arrival at Wellington International must make arrangements 48 hours prior to arrival to schedule an inspection of the horses. Please email stabling@wellingtoninternational.com and dburton@wellingtoninternational.com to schedule inspection. All arrivals must be scheduled during horse show hours between 8am and 5pm before unloading. The (NWS) is an evolving situation. ESP reserves the right to modify protocols or restrict horses from infested areas at any time.

Due to ongoing screwworm (NWS) infestation in Texas and New Mexico (or any infested state), all horses traveling directly from within the states of Texas or New Mexico (or any infested state) are required to abide by the following protocols in order to enter the state of Florida and compete at any ESP Horse Show at Wellington International. Please make sure your veterinarian completely follows the attached protocols and obtains all necessary documentation.

National Standard will be used in cases where it applies.

MEMBERSHIP

Membership in any league is not required to compete in these classes. However, membership is required for points to count with the leagues. Please join before the class.

POST ENTRY

Once an order of go is established, a post entry will be required to go at the top of the order. Any entry in these special classes not received by the closing date of the show will be considered a post entry and the post entry fee listed will be charged.

REFUNDS

Any class that has a required number of entries that is not met, and is canceled will entitle all entry & nomination fees to be refunded. If exhibitor elects to compete in a 100% add back class in place of the special class the entry fees will be distributed to the winners at 40%, 30%, 20%, 10% to 1st to 4th place respectively. Dear USEF Participant:

USEF thanks you for participating in this competition and your support of USEF's continuous efforts to provide the safest environment possible for our athletes and other participants. Strategies for safeguarding athletes continue to evolve, and we are fully committed to keeping pace with best practices.

The purpose of this letter is to remind you that you are bound by the U.S. Center for SafeSport Code, USEF Safe Sport Policy, and **Minor Athlete Abuse Prevention Policies**, also known as the MAAPP. This includes the SafeSport Training requirement for adult members and participants who have regular contact with minor athletes. Additionally, please be reminded about reporting obligations. Any concerns that are non-sexual in nature, please use the **USEF Safe Sport Incident Reporting Form** available on the USEF website.

Concerns or suspicions regarding sexual misconduct must be reported to <https://safesport.i-sight.com/portal> and the authorities if a minor is involved. All of this information can be found in the USEF **Safe Sport Policy**.

Please take a moment to review the new USEF **Safe Sport web pages** on the USEF website to find comprehensive resources regarding USEF Safe Sport efforts. You can also contact Sarah Gilbert, USEF Safe Sport Program Coordinator, at sgilbert@usef.org for any questions or concerns relating to the USEF Safe Sport program.

Thank you for your support and for helping us bring the joy of horse sports to as many people as possible!
